HA

THE STURDY POWERHOUSE. THE HA.

The model HA is the strongest manual swivel bending machine in the Schechtl range and can be supplied with working lengths of 1 metre to 4 metres. It is a particularly budget-friendly alternative where it is not possible or not recommendable to use motorized machines. And all this without compromising on power, precision and application options.

BENEFITS

- ✓ Specially designed for **thick and long sheets**
- ✓ **Extremely sturdy** and powerful
- ✓ **1-man operation** with minimum effort
- ✓ **Versatile** through a comprehensive range of accessories
- ✓ **High working convenience** – back-friendly working height
